WELCOME BACK, IT'S GREAT TO SERVE YOU AGAIN!

We appreciate you thinking of us today and dining with us as we navigate this new normal together. In compliance with CDC & Pitkin County COVID-19 Operational Guidelines and with the safety of you, our team, and our community in mind, we have several changes to our service model in addition to our limitations of capacity and elevated sanitation measures. We have switched to single-use menus and replaced much of our flatware with disposable alternatives, including switching to individually portioned BBQ sauces. We are working hard to choose sustainable products wherever possible and will be continuing to look for ways to do so. In conjunction with these additional steps and the associated costs, you will see a 4% "single-use surcharge" applied to your bill while we operate under these protocols. We look forward to a time when we can get back to doing it the way we're all used to, but until then thank you for your patience, understanding, support, and most importantly for being part of our Home Team.
