### WELCOME BACK, IT'S GREAT TO SERVE YOU AGAIN!

We appreciate you thinking of us today and dining with us as we navigate this new normal together. In compliance with CDC & South Carolina guidelines and with the safety of you, our team, and our community in mind, we have adapted our service model to meet the safety requirements of these extraordinary times. These measures, especially in regards to new PPE requirements, elevated restaurant sanitization standards, and single-use items have increased our costs at a time when we are facing reduced capacities and a challenging operational climate for the foreseeable future. We are working hard to choose sustainable products wherever possible as we do not want to lose sight of our broader goals, and will be continuing to look for ways to do so. In conjunction with these additional steps and the associated costs, you will see a **2% "COVID/PPE Surcharge"** applied to your bill while we operate under these protocols. We look forward to a time when we can get back to doing it the way we're all used to, but until then thank you for your patience, understanding, support, and most importantly for being part of our Home Team.
